# Adobe Lightroom Basic Training with Randy Hufford

Adobe® Photoshop® Lightroom™ is the key to what industry experts are calling the "new digital workflow." Now you can learn exactly how to get started, and see how Photoshop Lightroom can help you achieve the quickest, easiest workflow imaginable! Randy Hufford, Master Photographer and director of Institute of Visual Arts Maui, walks you through the basic process – from start to finish – and shows you how to get the best possible images in record time. Randy has taught thousands of people worldwide how to achieve the "new digital workflow," and now he's offering a personalized hands on workshop. These 4 hours of instruction will save you hundreds of hours of frustration later. Class size is limited so reserve your spot now. 808-878-4154

**You'll discover:**
Tips for quickly finding keeper images and deleting rejects
The best ways to tone your photos
How to get stunning and vibrant color from your photos
